ATV Accessories Updates / Highlights

1

Renegade Front Bumper

- New front bumper adapted to new Renegade front end design.

2

Renegade Radiator Relocate kit

- Relocates radiator to top mount position.
- New kit to fit with the new Renegade Front Bumper

X mr Front Bumper

Competitive Edge

Specifically designed for your Can-Am by the engineers at Can-Am.

Protect your vehicle by installing the X mr Front Bumper to tackle muddy terrain.

Features & Descriptions

- Enhanced vehicle front protection.
- Add that extra Tough and Rugged look.
- Required as a mounting point for Radiator Relocator (715008898).

Q&A

Q: What winches can be installed on this bumper?

A: 2500 & 3500 Can-Am & Warn winches.

Q: Is there a hook loop to keep hook higher at all times?

A: No.

SKU : 715008198

Fits On : G2S 2023 & up

Installation time : 1.5 hr

Availability : January 2023

Renegade Radiator Relocator Kit

Competitive Edge

This OEM kit meets your Can-Am's cooling requirements, avoids overheating issues.

Allows you to hit the muddiest trails by relocating the radiator high and out of the Mud

Features & Descriptions

- Prevents cooling performance loss in muddy conditions.
- Relocates existing radiator to top front fender position.
- Includes all mounting support, hardware and hoses.
- Engineered for easy cooling system bleeding and maintenance.
- Radiator not included, uses existing radiator
- X mr Front Bumper (715008198) required for installation (except X mr models).

Q&A

Q: Can this be retrofitted to prior model years?

A: No, it fits only 2022 & up.

SKU : 715008898

Fits On : G2S 2022 & Up

Installation time : 3.5 hr

Availability : January 2023

Can-Am ProMount Flex2 66"

- New 66" width is now completing the ProMount Flex2 plow line-up
- Plow blade made of UHMWPE, impact absorbing material
- For both ATV & SSV
- Available as a complete Plow kit or Blade only

Outlander, Outlander L, Renegade,
Maverick Trail, Maverick Sport, Commander

Can-Am ProMount Flex2 66" (168 cm) Blade

Competitive Edge

HMWPE (High Molecular Weight Polyethylene) technology gives Flex2 greater resistance to impact, and immunity to rust.

Easy and quick installation thanks to the most efficient mounting system on the market, the ProMount system.

Features & Descriptions

- Plow blade made of UHMWPE, impact absorbing material.
- Blade design provides best snow roll-off at any angle.
- Large pin designed for easy blade rotation and to eliminate snow buildup at pivot point.
- Clears 60" (152 cm) when plow is fully angled. Blade height 17" (43 cm).
- Compatible with all Can-Am ProMount Push Frames and Blade accessories.

Q&A

Q: Why choose a Flex Blade vs a Metal Blade?

A: Plastic blades don't deform or bend when hitting obstacles hidden under the snow. Also, plastic doesn't rust over time and wear.

SKU : 715006265

Fits On : G2, G2L, G2S, Maverick Trail, Maverick Sport, Maverick Sport MAX, Commander, Commander MAX

Installation time : 0.5 hr

Availability : January 2023

Can-Am ProMount Flex2 66" (168 cm) Plow Kit

Competitive Edge

Tough on jobs but flexible in the face of obstacles, the Flex2 blade simplifies work.

Easy and quick installation thanks to the most efficient mounting system on the market, the ProMount system.

Features & Descriptions

This kit includes:

- Can-Am ProMount Flex2 66" blade.
- Push frame with quick-attach system.
- Mounting plate.

Q&A

Q: Why choose a Flex Blade vs a Metal Blade?

A: Plastic blades don't deform or bend when hitting obstacles hidden under the snow. Also, plastic doesn't rust over time and wear.

SKU : 715008182

Fits On : G2, G2L, G2S

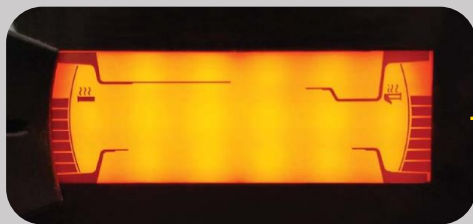

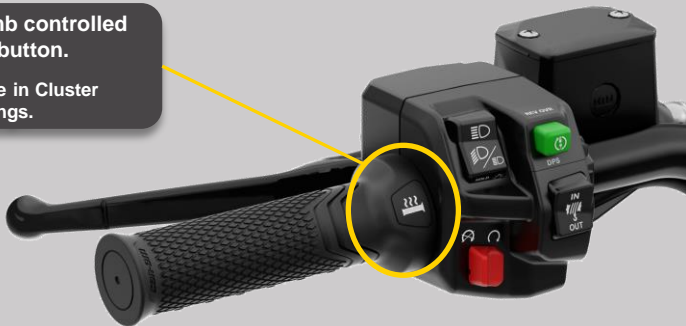

Installation time : 0.5 hr

Availability : January 2023

Integrated Heated Grips & Thumb Throttle Combo

Grips & Thumb controlled

Deluxe Half Doors for Traxter

- Completing the Half Doors offer for Traxter, with a new, Premium option.
- Premium color matching doors made from robust polyethylene.
- Color panels are required for installation (sold separately).
- A second door offer, in addition to the current one

Front Deluxe Half Doors

Competitive Edge

These premium half doors for Traxter and Traxter MAX are made of robust polyethylene for a nice finish and more rigidity. The wide opening hinge at the rear makes it easier to get in and out of the cab. These Traxter doors also have interior pockets and rigid liners for extra protection with an automotive fit and finish.

Features & Descriptions

- Premium color matching doors made from robust polyethylene.
- Premium fit and finish.
- Slim with interior pockets.
- Rear hinge wide opening for ease of ingress/egress in the cockpit.
- Interior and exterior handles.
- Color panels are required (sold separately).
- Hardware to install the Door Trims is included.

Q&A

Q: Why can't the doors be retrofitted to previous MY?

A: Door hinges are specific to model 2022 frame.

Q: Is the bottom of the door sealed to prevent water & dust intrusion?

A: Yes.

SKU : 715007201

Fits On : Traxter, Traxter MAX 2022 & up
