ACCESSORIES MY2023

WHAT'S NEW EMEA

February 2022

ADVENTURE BY DESIGN

What's new for MY23 storyline

New Platforms

- Radien²
 - Comes with all essential novelties
 - Better integration and even more purpose driven
 - Large variety of compatible existing accessories
- Lynx Rave kids
 - The essentials for the segment

Easy to install accessories

- We have greatly reduced installation time on multiple key accessories
 - Factory installed connectors to simplify the electric accessory installation
 - Accessories for Radien² designed for easy installation

LinQ

- Continued focus & building awareness of LinQ accessories

Easy to install accessories

Factory installed connectors to simplify the electric accessory installation

- Radien², Radien and Radien-x
 - Reduce installation time by having the electrical connectors on the unit from the factory.
 - All Radien 500 mm and 600 mm has plugged behind the gas tank for heated Passenger seat.

Accessories for Radien² designed to reduce installation time

- Extreme Skidplate
 - Installation time reduced significantly.
 - There is no need to disassemble
- E-LinQ
 - Reduce the PDI by having a pop out cap, no drilling anymore.

SHREDDER

Glovebox extension / GPS support

Competitive Edge

Maximize your storage capacity in a convenient place.

Features & Descriptions

- Increases storage by an additional 5-liter capacity and will have total 8-liter glovebox capacity.
- Ready to receive Cellphone Holder 860202373.
- Door allows for perfect positioning and mounting of GPS and Cellphone holder.
- Replaces stock storage compartment cover.

SKU : 860202596

Fits On : Radien²

Cellphone Holder

Competitive Edge

Perfect solution to easily access your cellphone and keep it charged. Features a heated element to keep your battery and enough space for your charging wires.

Objections

Can it be installed without the glovebox extension ?

It's a standalone, but you need the glovebox to install it.

Features & Descriptions

- New design is independent of the Glove Box Extension door.
- Water resistant door allows for perfect phone positioning.
- Heating element with thermo switch preserves cell phone battery longer.
- Features capacitive and resistive touch screen technology.
- USB Intelligent Power Outlet is included for charging. Works with almost all charger wires.
- Fits all cellphones within 185 mm x 85 mm x 15 mm dimensions. Spring system in back plate automatically adjusts for thickness.
- Can be used with or without windshield.
- Requires Glovebox Extension 860202596 depending on the vehicle.

SKU : 860202372

Fits On : Radien²

Skid Plate

Competitive Edge

- Installation time reduced significantly.
- There is no need to disassemble.
- Perfect fit.

Features & Descriptions

- The Skid Plate provides better definition, a perfect fit with a clean look. Smooth surfaces also reduce drag.
- Narrower than a Full Body, but wider than an Extreme skid plate in size - good blend of protection and agility.
- 4 mm thick high impact resistance polypropylene plastic for durability.
- Attachment kit included.
- Chassis is premarked for easy installation.
- Non brandet

Objections

How has the installation time been reduced?

There is no need for vehicle disassembly. Skid plate is installed from the outside by drilling holes and using spread nuts with screws and pop rivets.

Color Skid Plate	SKU
Black	860202417
Viper Red	860202586
Catalyst Grey	860202603
Yellow	860202418
Manta Green	860202423

SKU : See table

Fits On : Radien²

Brake and Chain Case Protectors

Competitive Edge

- Extra underbelly protection for impacts gives strong shield for brakes and chaise for extreme conditions.
- Designed to help protect the aluminum housing of the brake and chain case.

Features & Descriptions

- Made from 2 mm steel and these are powder coated black.
- Can be used with Extreme skid plate.
- Protectors for left and right per set.
- Easy to mount to the frame with screws. Chassis is premarked for easy installation.

SKU : 860202573

Fits On : Radien²

USB Power Outlet Kit

Competitive Edge

- USB charger for a Quick Charge when battery is low.
- This Plug offers both USB A and USB C plugs. Allow to add an additional USB plug on HUB units

Features & Descriptions

- Outlet kit can negotiate voltages with the device being charged in order to move the maximum power in the least time.
- Provides 1 USB A (QC3.0) and 1 USB C (PD) plugs.
 - USB Type A
 - Supports quick charging standards: QC2.0 (max 18 W), QC3.0 (max 36 W), FCP (18 W)
 - If the rechargeable device does not support the quick charging standard, then the charging power is max. 7.5 W.
 - USB Type C
 - Supports USB-PD standard (5V, 9V and 12V voltage ranges) Max 18W
- Installs inside storage compartment.
- Includes wiring harness for installation on Radien² models.
- Radien and Radien-X models require a harness extension 515178153

SKU : 860202433

Fits On : Radien², Radien, Radien-x

Note : USB plug 710004421 as a standard in all Lynx models excluding VIP HE and HUB 2.0 gauge.
USB plug and wiring harness 515178758 as a standard with VIP HE cluster
USB plug and wiring harness 515179061 as a standard with HUB 2.0 cluster

Harness extension for cellphone holder and USB plug

Competitive Edge

Objections

Image

Features & Descriptions

- Required for Cellphone holder 860202372 and USB intelligent Power Outlet Kit 860202433 when installed on Radien and Radien-X models .

SKU : 515178153

Fits On : Radien and Radien-X

Auxiliary LED Light

Competitive Edge

New innovative riser light. Easy to operate with a fold down mechanism. Perfect for the extend few hours on the snow.

Objections

Is it robust enough for roll over?

Yes, fully tested in harsh condition and it's protected when collapsed.

Features & Descriptions

- Riser mounted adjustable auxiliary light for deep snow sleds.
- Provides 1375 extra lumens of light.
- Weighs 540 grams.
- Flips up when needed and folds down out of the way when not in use to avoid damage.
- Integrated switch automatically shuts light off when folded down.
- Operates with the high beam switch.
- Compatible with only ultra-low windshield on Rev Gen4.
- Compatible with Tall and Short Riser.
- Required Harness (515179306) on Radien and Radien-X.

SKU : 860202429

Fits On : Radien²

E-LinQ

Competitive Edge

Combines both DESS cord and heated visor/accessory cord into one.

Easy and quick magnetic connection that self locates.

Reduce the PDI by having a pop out cap, no drilling anymore.

Objections

Which usage can we do with deep snow riding?

Compatible with heated goggles, some hard core riders might not want this.

What's different from previous?

Smaller, stock unit ready to receive eLinQ which reduces PDI time

Features & Descriptions

- Reduces chances of a broken connector.
- Increases freedom of movement with less cords.
- Works with any electric helmet and 12V heated visor.
- Maintains power connection 100% of the time.
- New position closer to DESS key

SKU : 860202354

Fits On : Radien²

Snowflap extension

Competitive Edge

Removable snowflap extension that helps cooling properties in hardpack, low & icy snow conditions when installed.

Features & Descriptions

- Stows on the tunnel when not in use.
- Installs on the stock lightweight snowflap with short tunnel.
- With LYNX logo
- Require rear bumper

Objections

Why do we have different SKU for Lynx and Ski-Doo?

There are different designs for rear lights and therefore attachment for the Snowflap needs to be different.

SKU : 860202567

Fits On : Radien²

Ice Scratcher

Competitive Edge

Rail mounted ice scratcher with a small and discreet design. More convenient to use and to install.

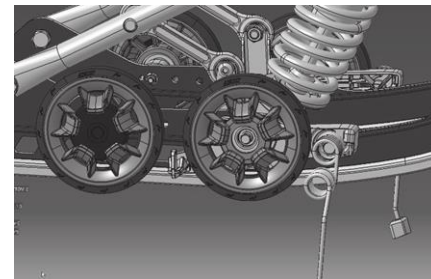

Features & Descriptions

- Provides additional cooling in hard and icy conditions.
- Double coil allows use in reverse without damage.
- Small and discreet, can be stored along the rail when not in use.

Objections

Why can you make one SKU fits all?

We have a new bracket /fixation point on all sleds that is not dependent on suspension.

SKU : 860202330

Fits On : Radien², Radien, Radien-X

Ride On Cover (ROC) System

Competitive Edge

Easy handlebar and footrest access for moving sled while covered. Ride on or off a trailer or sled deck while covered. More convenient to install the cover on the ground instead of the bed truck.

Features & Descriptions

- Ride On Cover (ROC) System fits sleds from 3700 to 4100.
- Quick release buckles for easy, gloves on operation.
- New updated Rear clip for easier installation and removal.
- Easy handlebar access for moving sled while covered.
- Ride on or off a trailer or sled deck while covered.
- Added protection while transporting sleds.

SKU : 860202612

Fits On : Radien²

Rear Bumper for Short Tunnel

Competitive Edge

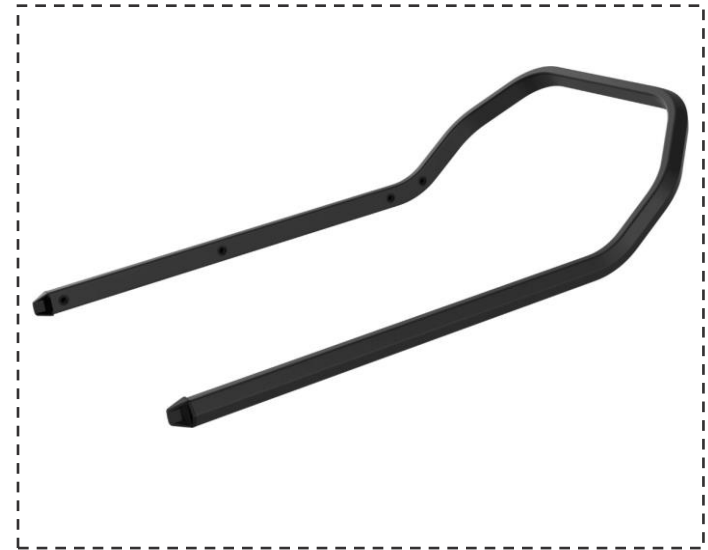

Add protection to your sled fast and simple.

Changes the appearance of your sled in minutes.

Features & Descriptions

- Does not detract from deep snow performance.
- Reinforces the tunnel.
- Easy mounting with no cutting. There are drilling marks inside the tunnel.

Description	SKU

Under Deck Storage Box

Competitive Edge

Can be used as dedicated for specific items e.g., for fishing, food, tools, campfire items

Features & Descriptions

- Under the deck fits 5 boxes
- Requires Rear Deck 860202415
- Deck locks the boxes firmly on their places and prevent them moving or clattering
- Capacity 7-Liters
- Box lid opens easily pulling upwards

SKU : 860202475

Fits On : Radien-X 500 mm

LinQ Urban Bag

Competitive Edge

Hybrid bag between a backpack and a storage bag that can be installed on your sled with the LinQ system. The bag is reversible, making it possible to hide the anchors of the LinQ system.

Objections

Is it conceived for winter condition?

weatherproof, sealed, roll-top design perfect for water resistant.

Features & Descriptions

- Versatile LinQ storage solution with up to 40 L of added storage.
- Heavy-duty construction with high-quality zippers and water-resistant outer shell.
- Easy-access large roll-top opening. Reversible integrated flap with water-resistant storage.
- Integrated vehicle key holder.
- Waterproof removable liner with integrated pocket and laptop storage.
- Backpack Option includes adjustable, removable shoulder system, ergo-fitted back padding and lightweight shoulder system design.

SKU : 219401026

Retail (inc. VAT): 308,00 €

Handlebar Muffs

Competitive Edge

Redesigned handlebar muffs packed with new features for extreme cold protection. Enhance rider's comfort for long ride.

Features & Descriptions

- Ultra warm muffs with faux-fur liner for extreme cold conditions.
- Thermoformed construction allows muffs to keep their shape and provides more space for hand movement.
- Robust attachment system with magnetic opening and closure.
- Easy to install and remove with gloves on.
- Large transparent section allows visibility of control switches.

Objections

Why is it more expensive?

It offers more features, such as the magnetic opening and closure and a wider window. New semi rigid design to maintain the shape of the muffs and easy storage

Will the attachment system be more reliable?

The redesigned attachment system, the handlebar pin, is more robust.

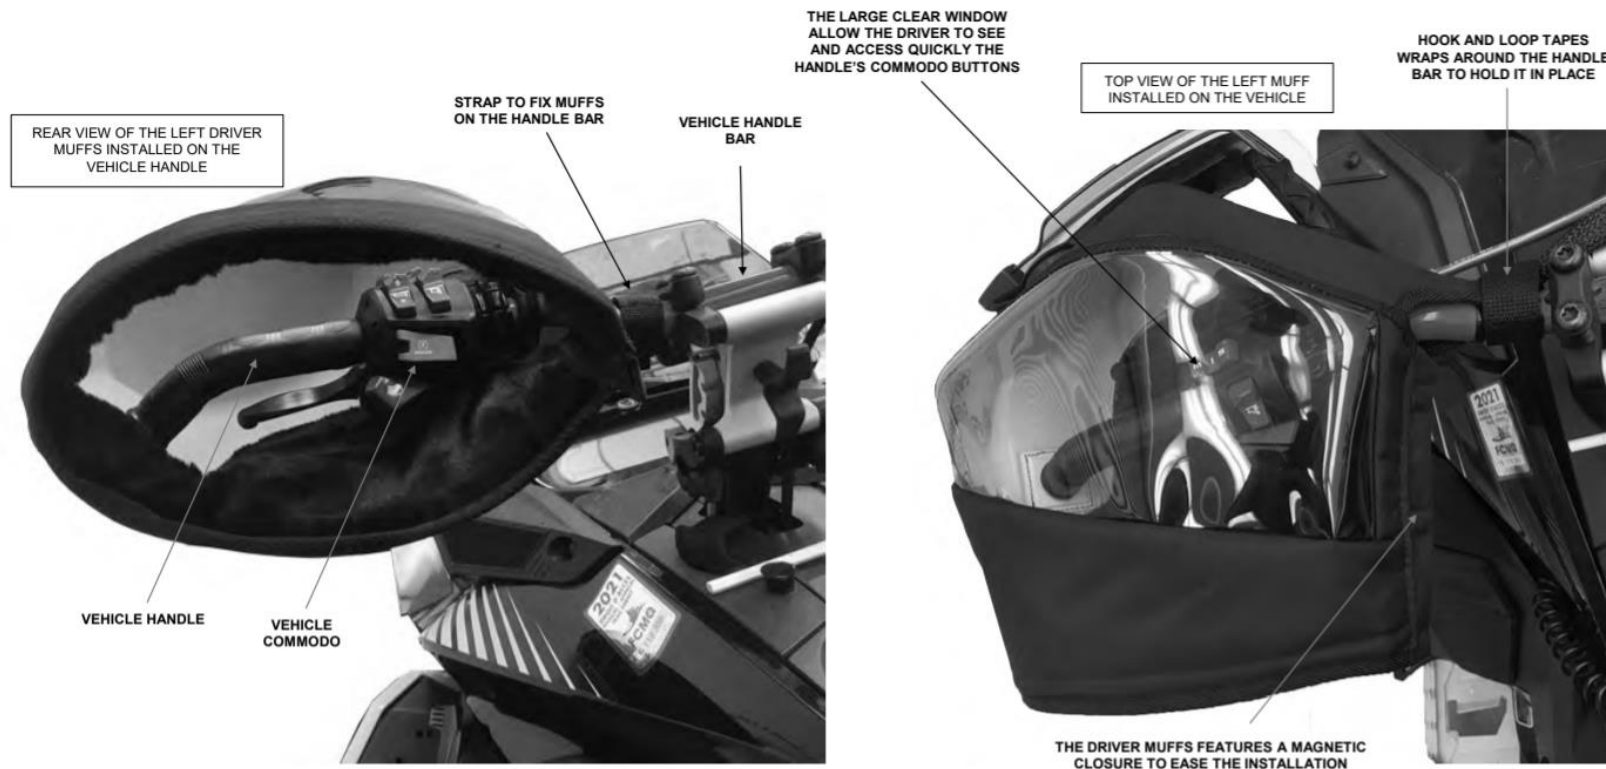

SKU : 860202207

Retail (inc. VAT): 109,00 €

Fits On : Radien², Radien, Radien-X

Dealer Margin : 35 %

Handlebar Muffs

Blade XC+ Ski White

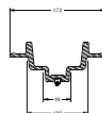

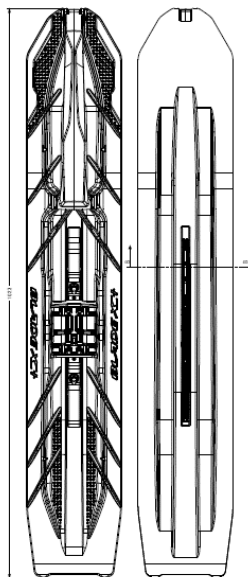

Competitive Edge

The ski offers unmatched stability and predictability for trails and for deep snow.

The handling is always predictable without darting despite the conditions.

Features & Descriptions

- The narrow and long design with three-stepped shape offers great directional stability
- Wide operation zone
- Less traction variance between different snow types
- Weight 2,66 kg
- Less unsprung mass to give more precise control in tandem with LFS+ front suspension
- For more aggressive carbides use 860200578

SKU : 860202613 White

Fits On : All platforms

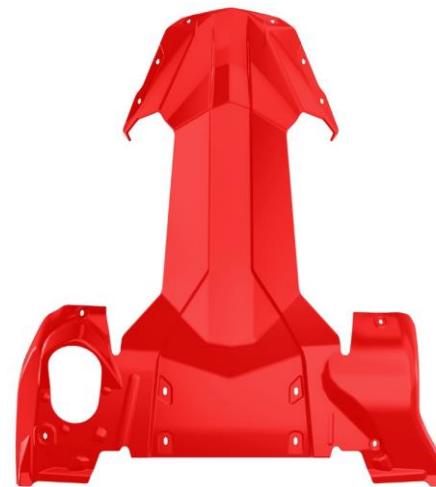

Skid Plate, Viper Red

Competitive Edge

Maximum extra wide protection for tough conditions.

Features & Descriptions

- Injection molded plate with smooth bottom surface to reduce drag.
- Wide shape for full protection and maximum flotation.
- Attachment kit included

FISKARS® CO-OPERATION

A person wearing a red jacket and black gloves is using a Fiskars axe to cut into a large, black, heavy-duty storage box. The scene is dimly lit, with a strong light source highlighting the axe's head and the person's hands. The background is dark and out of focus.

Two well known Finnish Brands join forces.

BRP is expanding its product range to Fiskars axes and saw. Now there is an opportunity to sell these together with big boxes.

FISKARS® Co-operation

Competitive Edge

BRP is expanding its product range to include Fiskars axes and saw suitable for boxes. Now there is an opportunity to sell these as a ready package.
